Reference: October Quarterly Report (7-1-05/9-30-05)

To Whom It May Concern:

We are in receipt of the Commission's letter regarding the above referenced report. Please see below for our complete response.

Our committee is aware of the best efforts standard established by the Commission. We do have a system in place to meet this standard. We include a request on all original solicitations informing the donor of the federal requirement for reporting such information. In addition, we make a follow up request within 30 days that does not solicit additional funds and includes a self-addressed envelope. This follow up also reiterates the requirement by federal law that we are mandated to request this information. To meet the final segment of the standard, please see below for the information that we have obtained since the filing of the original report. It is our desire to make the public record as complete as possible and this information does that.
